## MOTION FOR PRO BONO COUNSEL

PRO SE litigant Leo CULLINAN died due to his health complications related to this case and his brother is in a Massachusetts county jail without access to any New Hampshire State laws (the designer of this suit) and cannot litigate it due to that, the complexity of the case, mental health disabilities that hinder him, and punitive segregation.

WHEREFORE, circumstances have changed, Plaintiff re-requests PRO BONO counsel to be appointed signed under penalty of perjury
